Sample of Senior/Elder Households

Survey Sample:

Cape Cod Community Survey

Age Demographic Profile of Senior/Elder Households Sampled With The Cape Cod Community Survey Between the Years 2004 and 2008

Tables 1.C.1 and 1.C.2 provide a brief profile of the number of persons by age range living in the senior/elder households who were sampled over the past five years of study. Further, the average proportion of the total sample represented by each of these age ranges is shown. Counts and percentages are shown for all senior/elder households sampled, as well as, our most needy senior/elder households.
