RE: Resources for Braille translations & services for individuals with sight loss

- 1) Brooks Free Library, 739 Main St., Harwich MA  
VITAL (Visually Impaired Technology At the Library)
  - The Library has designated computers with the following access software:
    - JAWS screen reading program
    - ZoomText magnification/reading program
    - Kurzweil 1000 scanning/reading program
    - Dolphin Guide magnification/reading program
    - Guide program also offers voice recognition with a bridge to the Dragon Naturally speaking software program
    - Duxbury Braille Translation program, used with Juliet Pro60 Braille embosser
  - The Library holds technology classes and free, one-on-one instruction in the use of access software programs to individuals with sight loss
